

Inspection Report Comments

Date of Inspection

3/22/89

Identification Number

PAD086681392

Company/Facility/Site Name

Rescar Co. Inc.

I informed facility personnel that compliance with 75.285 1-14 was now required.

On 3-16-89 on-the-job training was conducted.

No violations were noted.

In the "Requirement" Section of this inspection report, each listed inspection item may provide only a brief version of its corresponding obligation as described in the body of the regulations. Please use the Chapter citations listed on this inspection report as a reference to obtain a detailed description of compliance requirements.

This inspection report is official notification that a representative of the Department of Environmental Resources, Bureau of Waste Management, inspected the above installation. The findings of this inspection are shown in this report. This inspection report shall serve a formal notification of any violations which were observed during the inspection. Violations may also be discovered upon examination of the results of laboratory analyses and review of Department records. Additional notification may be forthcoming, concerning any violations indicated herein and listing any additional violations.

This report does not constitute an order or other appealable action of the Department. Nothing contained herein shall be deemed to grant or imply immunity from legal action for any violation noted herein.

Signature by the person interviewed does not necessarily imply concurrence with the findings on this report, but does acknowledge that the person was shown the report or that a copy was left with the person.

Re: Lack of labels and accumulation dates
Rescar Incorporated of Pennsylvania
I.D.# PAD086681392
DuBois, Clearfield County

Dear Mr. Schaffer:

Pursuant to our telephone conversation of July 28, 1988, I am forwarding three (3) copies of a Letter-Agreement in settlement of Rescar Incorporated of Pennsylvania (hereinafter "Rescar") violations of the Pennsylvania Solid Waste Management Act, the Act of July 7, 1980, P.L. 380, 35 P.S. §6018.101 et seq (hereinafter "SWMA") and the Rules and Regulations promulgated thereunder which occurred on June 27, 1988 at Rescar in DuBois, Clearfield County.

Please have two (2) authorized officials of Rescar, sign all three (3) copies and return them to this office within ten (10) days of your receipt thereof. You will receive an executed copy for your records after the document is signed on behalf of the Department of Environmental Resources (hereinafter "Department").

The facts of the matter and the terms of settlement are as follows:

1. Rescar owns and operates a facility in DuBois, Clearfield County, Pennsylvania which generates hazardous waste and which is identified by EPA ID# PAD086681392.
2. On June 27, 1988, during a routine inspection of Rescar, the Department determined that two (2) 55-gallon drums of hazardous waste located in Rescar's hazardous waste storage area lacked labels identifying their contents. The Department also determined that there were fourteen (14) 55-gallon drums of hazardous waste located in Rescar's hazardous waste storage area that did not have accumulation dates marked on each container and visible for inspection.

Mr. J. Andrew Schaffer, Safety Officer
Rescar Incorporated of Pennsylvania
Page 2
August 30, 1988

3. Failing to properly label containers of hazardous waste so as to accurately identify such waste, and failing to place accumulation dates on containers of hazardous waste, are violations of Sections 403(b)(2) and 403(b)(9) of the SWMA, 35 P.S. §§6018.403(b)(2) and 6018.403(b)(9) and the Rules and Regulations of the Department, 25 Pa Code §75.262(g)(1)(iv).
4. In settlement of all claims for monetary penalties assessable pursuant to Section 605 of the SWMA, 35 P.S. §6018.605, for the violations described in Paragraphs 2 & 3 above, Rescar agrees to pay to the "Commonwealth of Pennsylvania, Solid Waste Abatement Fund" the sum of one thousand five hundred dollars (\$1500.00). This sum is a figure for settlement purposes only as set forth herein, and shall be due and payable upon execution of this Letter-Agreement. Said one thousand five hundred dollar (\$1500.00) payment shall be submitted to the Department together with the signed copies of this Letter-Agreement and shall be in the form of a certified check or the like, made payable to the "Commonwealth of Pennsylvania, Solid Waste Abatement Fund" and shall be forwarded to Richard L. Bittle, Regional Solid Waste Manager, Bureau of Waste Management, Department of Environmental Resources, 200 Pine Street, Williamsport, PA 17701-6510.
5. In consideration of the timely receipt of the above payment and the execution of this Letter-Agreement by Rescar, the Department agrees not to initiate any action pursuant to Section 605 of the SWMA, supra, against Rescar for violations of the SWMA which occurred on June 27, 1988 as described in Paragraphs 2 and 3 above; provided, however, that nothing in this Letter-Agreement shall be construed as to relieve Rescar from any future liability for environmental damage which may have resulted from the activities described herein.
6. Nothing contained in this Letter-Agreement shall be construed to relieve or limit the obligations of Rescar to comply with the terms and conditions of any permit existing or hereafter issued by the Department to Rescar or to limit any civil or criminal liability of Rescar for violations of the law except as specifically set forth in Paragraphs 2 and 3 above.

Sincerely,

Richard L. Bittle
Regional Solid Waste Manager
Williamsport Regional Office

RE: Rescar, Inc.
I.D. #PAD086681392
Hazardous Waste Generator Inspection
DuBois City, Clearfield County

NOTICE OF VIOLATION

Dear Mr. Schieszler:

On June 27, 1988, as a representative of the Department of Environmental Resources, I made a routine inspection of your facility located in the City of DuBois, Clearfield County. In the course of my inspection, the following was observed. There were two 55-gallon drums located in the hazardous waste storage area that were not identified as to content. There were 14, 55-gallon drums that did not have an accumulation date on them. They were identified as hazardous waste.

Pursuant to the PA Solid Waste Management Act, the Act of July 7, 1980, P.L. 380, No 97, 35 P.S., §6018.101 et, seq., I am placing you in violation for the following:

1. Chapter 75, 262(g)(1)(ii). The waste is placed in containers which meet all United States Department of Transportation packaging, marking, and labeling requirements in Subsection (f).
2. Chapter 75.262(g)(1)(iv). On each container, each date on which any hazardous waste was placed in that container shall be clearly marked and visible for inspection.

To come into compliance with the Department's Rules and Regulations, you should do the following. Immediately identify and label all hazardous waste and place accumulation dates on those barrels.

Within 15 days of receipt of this notice, you should contact Steven Dunkleburger at (717) 327-3636.

Page 2

Mr. Gus Schieszler, Manager
Rescar, Inc.

This Notice of Violation does not waive, either expressly or by implication, the power or authority of the Commonwealth of Pennsylvania to prosecute for any or all violations of law arising prior to or after the issuance of this Notice of Violation or the conditions upon which this Notice of Violation was based, nor shall this Notice of Violation be construed so as to waive or impair the rights of the Department of Environmental Resources heretofore or hereafter existing.

Sincerely,

James D. Greene,
Solid Waste Specialist

Hazardous Waste Inspection Report
Comments - Part C

Date of Inspection 11/16/88 Identification Number PAD 08681392
Company, Installation Name Rescar Inc.
County Clearfield Municipality DuBois City

Leonard Witt told Gordon Harvey that Rescar's 1st quarter report was not submitted. I saw the report at site. Mark Shinker said he had submitted it. I told him to resubmit it.

Gordon Harvey accompanied me on this inspection. We were acting on a complaint received that waste was being buried on site. There ~~has been~~ are 3 different areas where earth has been moved or brought in. Due to:
1. Re-burning the storage area
2. repairing tracks.
3. piling dirt from muddy roads.

Facilities daily operation is good, with record keeping as required.

This inspection report is official notification that a representative of the Department of Environmental Resources, Bureau of Waste Management, inspected the above installation. The findings of this inspection are shown in this report. Any violations which were uncovered during the inspection are indicated. Violations may also be discovered upon examination of the results of laboratory analyses and review of Department records. Notification will be forthcoming, confirming any violations indicated herein and listing any additional violations.

XII DESCRIPTION OF HAZARDOUS WASTES (Continued from front)

A. HAZARDOUS WASTES FROM NON-SPECIFIC SOURCES. Enter the four-digit number from §75.261(h)(2) for each listed hazardous waste from non-specific sources your installation handles. Use additional sheets if necessary.

1 F005	2 0001	3	4	5	6
7	8	9	10	11	12

B. HAZARDOUS WASTES FROM SPECIFIC SOURCES. Enter the four-digit number from §75.261(h)(3) each listed hazardous waste from specific industrial sources your installation handles. Use additional sheets if necessary.

13 4188	14	15	16	17	18
19	20	21	22	23	24
25	26	27	28	29	30

C. COMMERCIAL CHEMICAL PRODUCT HAZARDOUS WASTES. Enter the four-digit number from §75.261(h)(4) for each chemical substance your installation handles which may be a hazardous waste. Use additional sheets if necessary.

31	32	33	34	35	36
37	38	39	40	41	42
43	44	45	46	47	48

D. CHARACTERISTICS OF NON-LISTED HAZARDOUS WASTES. Mark "X" in the boxes corresponding to the characteristics of non-listed hazardous wastes your installation handles. (See §75.261(g)(2) through (5))

☐ 1. IGNITABLE

☐ 2. CORROSIVE

☐ 3. REACTIVE

☐ 4. EP TOXIC

XIII CERTIFICATION

I certify under penalty of law that I have personally examined and am familiar with the information submitted in this and all attached documents, and that based on my inquiry of those individuals immediately responsible for obtaining the information, I believe that the submitted information is true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment.

There were no violations found
on today's inspection

In the "Requirement" Section of this inspection report, each listed inspection item may provide only a brief version of its corresponding obligation as described in the body of the regulations. Please use the Chapter citations listed on this inspection report as a reference to obtain a detailed description of compliance requirements.

This inspection report is official notification that a representative of the Department of Environmental Resources, Bureau of Waste Management, inspected the above installation. The findings of this inspection are shown in this report. This inspection report shall serve a formal notification of any violations which were observed during the inspection. Violations may also be discovered upon examination of the results of laboratory analyses and review of Department records. Additional notification may be forthcoming, concerning any violations indicated herein and listing any additional violations.

This report does not constitute an order or other appealable action of the Department. Nothing contained herein shall be deemed to grant or imply immunity from legal action for any violation noted herein.

Signature by the person interviewed does not necessarily imply concurrence with the findings on this report, but does acknowledge that the person was shown the report or that a copy was left with the person.

ACKNOWLEDGEMENT OF NOTIFICATION
OF REGULATED WASTE ACTIVITY
(VERIFICATION)

This is to acknowledge that you have filed a Notification of Regulated Waste Activity for the installation located at the address shown in the box below to comply with Section 3010 of the Resource Conservation and Recovery Act (RCRA). Your EPA Identification Number for that installation appears in the box below. The EPA Identification Number must be included on all shipping manifests for transporting hazardous wastes; on all Annual Reports that generators of hazardous waste, and owners and operators of hazardous waste treatment, storage and disposal facilities must file with EPA; on all applications for a Federal Hazardous Waste Permit; and other hazardous waste management reports and documents required under Subtitle C of RCRA.
